- Sacred Tea & Coffee
- **Banque Havilland**

" ...

13.2 Practice is changed/supplemented as follows:

" ...

Should a practice session be stopped for any reason, all cars must **reduce speed smoothly and safely to 80 kph and** proceed **slowly with extreme caution** back to the pit lane without overtaking other cars.

" ...

13.3 Qualifying is changed/supplemented as follows:

"...

Should a qualifying session be stopped for any reason, all cars must **reduce speed smoothly and safely to 80 kph and** proceed **slowly with extreme caution** back to the pit lane without overtaking other cars.

..."

13.8 Aborting or suspending a race is changed/supplemented as follows:

"After the signal to stop the race has been given, all cars able to do so **will must reduce speed smoothly and safely to 80 kph and** proceed directly but **slowly with extreme caution** to the grid or to another position on the track as directed by the Race Director.

..."

Part 2: Technical Regulations

1.3 General/preamble is changed/supplemented as follows:

"Everything that is not expressly permitted in these Regulations is prohibited. Any addition or removal of material, heat treatment or coating to alter the properties of a part or component and/or its dimensions is forbidden. Mounting a part in a different way or location than the original delivery condition is forbidden. **All nuts and bolts must be fully tightened (i.e. they must be tightened to the full extent possible using the whole of the available thread) at all times unless specifically stated otherwise within these regulations.** Permitted modifications must not result in any illegal modifications or infringements of the Regulations. Any permitted changes may only serve the intended purpose. The decision of the Sporting Committee shall be final regarding any interpretation of these Regulations. The Series Organiser reserves the right to amend and extend these Regulations (in consultation with the DMSB).

...”

2.8.5 Side and rear windows is changed/supplemented as follows:

“Only the genuine Porsche 911 GT3 Cup side and rear windows in their original version are permissible. Additionally, the rear window must remain fixed with the original type of fixing at all times. **Any covering of these windows by any form of tape or film (other than in compliance with the Sticker Regulations) is not allowed.**”

Part 4: Attachments / drawings

Attachment 2 - Sticker Regulations (2/6), (3/6) and (5/6) are amended/supplemented as follows:

“ ...

...

Bulletin 3/2023

Supplement to the Regulations DMSB Visa no. 311/23, of
06.03.2023.

The amendment is valid with immediate effect.

(Changes/Additions are printed in **bold italic**)

Part 3: Environmental Regulations

3.1 Collection of Hazardous Liquids / Environmental Mat

is changed/supplemented as follows:

" ...

A suitable mat will be issued to the teams at the Season Test or to Guest starters at their first event of the season. In case of loss or damage of the mat, the team must provide a suitable replacement of their own. ***The mats are reusable, but it is the team's responsibility to assess when a mat can no longer be used according to the defined requirements / manufacturer's instructions and needs to be replaced. Any such replacement must be provided by the team. The replacement of a mat can also be instructed by the Environmental Officer at any time. During a PMSC event, the proper disposal of a contaminated mat must be discussed with the Environmental Officer.***
